

FAB FARM BY ELIZABETH HARTMAN

KONA SOLIDS FABRIC GUIDE

Use this guide to make a Fab Farm quilt using 36 different Kona Solids as the Colorful Animal Fabrics. This guide is intended to replace the one on Pages 6 - 8 of the pattern.

Some fabrics will be used in more than one type of block. (For example, Strawberry Fabric 2 is also Short Sunflower Fabric 3.) Refer to Page 5 to prepare these fabrics for the quilt, and follow all of the pattern instructions exactly as written.
